

Guidelines for requesting review copies

We offer free copies of our books for review in scholarly journals in relevant fields. If you are a reviewer, you may request a copy of a book by contacting Bailey Kung at the address below.

In your request, please include your name and address as well as a media kit for the journal, including a sample issue. We will consider your request and mail you a review copy if your request is granted. Please be sure to send us a copy of the review when it is published.

Guidelines for requesting desk/examination copies

Desk copy requests for potential use with college courses should be submitted on departmental letterhead or on forms provided by your university or college bookstore (emails will be accepted).

Desk copies have an approval period of 60 days. If copies are ordered by your bookstore within 60 days, the desk copy is free. (IMPORTANT: When you have received the books, please email us the invoice number at oakknoll@oakknoll.com or fax us the invoice number at 302-328-7274.) If copies are not ordered by your bookstore within 60 days, you may either buy the book at a 20% discount or ship it back to us with its invoice and a short note explaining why it was not chosen. The book must be returned in saleable condition. If you purchase the book, please send a copy of the invoice along with your payment to Oak Knoll Press. We accept personal checks and VISA, MasterCard, Discover and American Express.

All review or desk copy requests should be directed in writing or by email to:
